# Sticker Design Contest

## Calling all creatives ages 6-19!

The Scott Family Amazeum is turning ten on July 15, 2025. To celebrate another year of play, we are looking for a new, exciting birthday sticker design that captures the wonder of the Amazeum!

A large yellow octagon with a white outline, containing the text "Your design here!". A yellow pencil with a red eraser and a sharp lead tip is positioned as if drawing the octagon.

**Your design  
here!**
